

Peace سوسائٽي

TO FAMILY NEIGHBOUR SOCIETY

How can we achieve peace in our time?

How can we retain our identities and ethos without entering into conflict with others?

How do we address those man-made values which are causing us great suffering, despair and pain?

This event will focus on the everyday problems causing family and social breakdown. To address these we will draw on the teachings of the Prophet Muhammad (saw): open a space for dialogue, peace and tolerance within us, foster better relationships and propose workable solutions.

Join us that we may all deserve the long awaited peace we yearn for in our lives.
